## Health & Safety Policy Statement

This policy applies to all activities undertaken by GP Asbestos Services Ltd (GP) employees.

Our objectives are to provide a service that manages our clients needs. This includes the safe removal and surveying of asbestos material and minor building and reinstatement work. We respect the safety of employees, subcontractors, other stakeholders (including general public). We are dedicated to the sustainable development of GP Asbestos. We will achieve this through our commitment to:

- Achieve an objective of zero harm based on our behalf that harm is preventable
- Comply with all relevant legislation, contractual obligations and company standards as a minimum
- Provide a safe place of work with safe access and egress
- Review the impact of all activities, continually striving to reduce the risk of harm to people and the environment
- Involve all staff with matters relating health & safety to ensure they can understand their responsibilities and are accountable for such
- Provide necessary organisation, training, resources and communication to enable all employees to discharge their responsibilities safely with respect for each other
- Sustain a programme of continual improvement in Health & Safety performances by incorporating suitable measurement and monitoring mechanisms
- Provide personal protective equipment and clothing necessary to ensure the health and safety of employees and others who may be affected by the company's activities
- Provide a healthy and safe working environment with adequate facilities and arrangements for welfare
- Carry out regular inspection of working areas to ensure compliance with health and safety legislation
- Ensure competent supervision is provided, to ensure safe working practices are followed

The GP Asbestos Health & Policy Statement is consistent with and reflects the aims and objectives of GP Asbestos.

Implementation of this policy is the direct responsibility of all management and employees.
